OBJECTIVE

Aspiring web developer with over a year of hands-on experience in front-end development. Proficient in HTML5, CSS3, Bootstrap, Tailwind CSS, JavaScript, and React JS with a growing knowledge of PHP and MySQL for backend development. Committed to building responsive, user-friendly websites and continuously expanding expertise in web technologies.

TECHNICAL SKILLS

- **Front-End Development:** HTML5, CSS3, Bootstrap, Tailwind CSS, JavaScript, React JS
- **Backend Development:** PHP (in progress), MySQL (in progress)
- **Web Development:** Responsive design, cross-browser compatibility, performance optimization
- **Version Control:** Git (basic knowledge)

PROFESSIONAL EXPERIENCE

Front-End Developer   August 2023 – Present
Freelance, Ibadan

- Developed responsive and interactive web applications using HTML5, CSS3, Bootstrap, Tailwind CSS, JavaScript, and React JS.
- Collaborated on multiple projects, optimizing site performance across various devices and browsers.
- Currently applying and expanding skills in PHP and MySQL for dynamic web applications with database integration.
- Actively involved in learning new technologies and best practices to enhance both front-end and back-end development.
